Catalog / Objectid / Objname	Description	Condition	Status	Home Location
O 1966.096.001 Sadiron	 <p>Three sad irons and one holder. The sad irons are labelled "Asbestos Sad Iron", the holder "Pat. May 1900"; but there is no makers name. The irons are solid, both ends pointed, base with a 1/4" flange, 6 1/2 x 3 1/4". Hight 1 3/4. The holder is an outer cover to the irons with a C-shaped handle frame, attached to the top of the cover by two heavy pins but with a 1/4" airspace. There is a turned wood handle between the points of the C. The irons are held by a spring loaded handle operating two short pins into the side of the iron.</p>	Good	Deaccessioned	Deaccessioned July 2021
O 1969.039.001 Irons and Handle	 <p>Two sadirons, boat-shaped with pointed both ends, 17.1cm long, 8.8cm wide, 3.8cm high. The hande is a semi-circle of hardwood. 14.6 cm outside dia. 2.5 X 1.9 cm in cross-section. It is attached by its ends to a steel piece bottom, and rests on the top of the sad iron being hooked to it by a spring loaded hook, released by a small wood button below the handle. Marked only with a C on a small shield.</p> <p>Handle missing</p>		Deaccessioned	Deaccessioned July 2021
O 1973.082.020 Iron	 <p>Flat iron, "7" on top. No makers mark. Normal shape, with solid steel handle. Flat at back. Length 6", width at bace 4.75".</p>		Deaccessioned	Deaccessioned July 2021
