

Three black metal monitor stands – one with a tri-panel.

Stainless steel railing: ~115" L; 43" H at tallest; 39 ¼" H at shortest. Very handy and elegant!

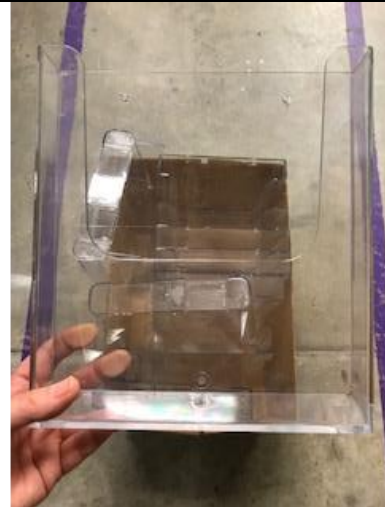

Stainless steel railing with integral sloper panel bracket (backlit wiring) if wanted) Two pieces fit together to make a 57 ¾" diameter circle; 32 ¾" tall. This is really nice!

One white painted mdf sign stand.

Clear plastic document/brochure holders 13 various sizes, mostly large (letter sized)

Two Isuzu thermo-hygrographs Made in 1994 and 1999. Looks like the replacement chart paper is still available online. Just what you need to monitor your internal climate!

Gallery animation cart – Black. Drawers and cupboards on wheels for rolling in activities or handling objects. Or as a rolling workbench.

Gallery animation cart – Green. Fold up top. Drawers and cupboards on wheels for rolling in activities or handling objects. Or as a rolling workbench.
