A BIT ABOUT US

The Maritime Museum of BC opened in 1955 as a naval museum located on Signal Hill just outside the gates of the HMC Dockyard in Esquimalt. The Museum has since relocated to a new public storefront location at 744 Douglas St., where we have our exhibits, public research space, and a gift shop. The majority of our collections are now stored off-site but are still accessible through our research request program.

Our mission is to promote and preserve our maritime experience and heritage and to engage people with this ongoing story. The museum presents afternoon talks and weekend craft workshops that look at maritime history in unique and creative ways. Also offered are educational programs on topics such as immigration, pirates and privateers, women on the home front, and the fur trade.

THE CHALLENGE

The MMBC is embarking on an extensive cataloguing project of the object collection. We need a Cataloguing Assistant to help with these efforts. The Cataloguing Assistant will focus on cataloguing ship models in our collection.
