## **A BIT ABOUT US**

The Maritime Museum of BC opened in 1955 as a naval museum located on Signal Hill just outside the gates of the HMC Dockyard in Esquimalt. The Museum has recently relocated to a new public storefront on ləkʷəŋən land at 744 Douglas Street. This space houses the museum's exhibits, public programming and events, onsite research and administration. Most of our collections are now stored off-site but are still accessible through our research request program.

Our mission is to promote and preserve our diverse maritime experience and heritage and to engage people with this ongoing story. In addition to offering in-person and virtual exhibits, the museum presents virtual talks, live tours and craft workshops that look at maritime history in unique and creative ways. Also offered are virtual and outreach educational programs for all ages on topics such as immigration, pirates and privateers, women on the home front, and the fur trade.
