

| Accession No. | Title                    | Description  | Image   |
|---------------|--------------------------|--|---|
| 1990.26.2 A-B | Boot Stretchers          | Shoe form, identical pair, wooden foot shape with metal screw holding front and back together with gap at base.  |   |
| 1993.24.2     | Boot Stretcher           | Shoe or boot stretcher for leatherworking.   |   |
| 1996.31.4 A-C | Snap Button Fastener     | Leather punch for shoemaking, with box, various parts, and snap buttons.   |    |
| 1996.31.5     | Lace Tipping Tool        | Tool for affixing aglets to laces.   |   |
| 1996.31.6     | Hand Punch               | Metal hand punch, single size, manufactured by Sargent & Co.   |   |
| 1996.31.7 A-S | Button Fastening Machine | Button fastener product box with button pieces inside.   |   |
| 1996.31.13    | Box, "Rapid Rivets"      | Box, product "Rapid Rivets", containing numerous small pieces for assembling rivets, commonly used in shoemaking.  |   |
| 1996.31.14    | Edging Iron              | Edging iron for leatherworking.  |   |
| 1996.31.15    | Leather Punch            | Leather punch, small, affixed to wooden block.   |   |
| LH7           | Awl                      | Awl, leatherworking, wood handle with metal pin sticking out of end.   |   |
| LH9           | Awl                      | Awl for leatherworking, wooden handle, painted silver, with metal pin sticking out of end.   |   |
| LH14          | Shoe Last, Child's       | Shoe last, child size 3, solid cast iron.  |   |
| LH17          | Shank Etcher             | Tool for shoemaking, shank etcher, metal head with notched edge and wooden handle.   |  |
| LH18          | Edge Iron                | Tool for shoemaking, wood handle, small metal head, oval shaped, notched/jagged.   |   |
| LH21          | Shoe Anvil               | Anvil for shoe repair, with three ends of different sizes.   |   |
| LH29          | Gauge                    | Gauge, leather working; curved wooden handle with metal core, loop at top; through top metal piece is a metal ruler strip, with adjustment screw at one end. |   |
| LH39          | Knife                    | Knife, multipurpose leatherworking knife; wood handle; short blade, pointed and curved.  |   |
| LH40          | Shoe Last, Child's       | Cast iron shoe last, child's size one.   |  |
| LH41          | Shoe Last, Child's       | Cast iron shoe last, child's size.   |   |
| LH42          | Shoe Last, Child's       | Cast iron shoe last, child's size one.   |   |
| LH43          | Shoe Last, Child's       | Cast iron shoe last, probably a child's size one.  |   |
| LH44          | Shoe Last, Child's       | Shoe last, child's, cast iron, "D" size, probably part of a set.   |   |

|      |                      |   |   |
|------|----------------------|---|---|
| LH45 | Shoe Last, Child's   | Shoe last, cast iron, child's size 0.   |   |
| LH46 | Shoe Last, Child's   | Cast iron shoe last, child's size 2.  |   |
| LH47 | Shoe Last, Child's   | Cast iron shoe last, child's size.  |   |
| LH48 | Shoe Last, Child's   | Shoe last, cast iron, child's size "C", likely part of a set.   |   |
| LH49 | Shoe Last, Child's   | Cast iron shoe last, child's size 2.  |   |
| LH50 | Shoe Last            | Shoe last, cast iron, size 3.   |   |
| LH51 | Shoe Last, Child's   | Cast iron shoe last, child's size B.  |   |
| LH52 | Shoe Last            | Cast iron shoe last, size 3.  |   |
| LH53 | Shoe Last            | Cast iron shoe last, size C.  |   |
| LH54 | Shoe Last            | Cast iron shoe last, adult size 1.  |   |
| LH55 | Shoe Last            | Cast iron shoe last, size A.  |   |
| LH56 | Shoe Last            | Cast iron shoe last, men's size 3.  |  |
| LH57 | Shoe Last            | Cast iron shoe last, around a size 3.   |   |
| LH58 | Shoe Last            | Cast iron shoe last, size 3.  |   |
| LH59 | Shoe Last            | Cast iron shoe last, size 6.  |   |
| LH60 | Shoe Last            | Cast iron shoe last, size 6.  |   |
| LH61 | Shoe Last            | Cast iron shoe last.  |   |
| LH62 | Shoe Last            | Cast iron shoe last.  |   |
| LH63 | Shoe Last            | Cast iron shoe last, size 8.  |   |
| LH64 | Shoe Last            | Cast iron shoe last, size "D", likely part of a set.  |   |
| LH65 | Shoe Last            | Cast iron shoe last, size 3.  |   |
| LH66 | Shoe Last            | Cast iron shoe last, size 4.  |   |
| LH68 | Cobbler's Hammer     | Hammer, cobbler's; short wooden handle; head is drop shaped, with one chiseled end and other end is round and flat. |   |
| LH72 | Shoe Last            | Cast iron shoe last, size two.  |   |
| LH73 | Shoe Last            | Cast iron shoe last, size "B".  |   |
| LH74 | Shoe Last            | Cast iron shoe last, unknown size.  |   |
| LH75 | Shoe Last            | Cast iron shoe last, "BB".  |   |
| LH76 | Shoe Last, Child's   | Cast iron shoe last, child's size.  |   |
| LH77 | Shoe Last            | Cast iron shoe last, full shoe form, size 8.  |   |
| LH78 | Shoe Last            | Cast iron shoe last, size D (?)   |   |
| LH79 | Shoe Last            | Cast iron shoe last, size 4.  |   |
| LH80 | Shoe Last            | Cast iron shoe last, unknown size.  |   |
| LH82 | Pinking Iron Punch   | Pinking iron punch, metal; one end is wide with a jagged edge, the other is smaller and rounded, hammered.          |   |
| LH83 | Pinking Iron Punch   | Pinking iron punch, metal; one end is jagged, scoop shape, the other end is smaller, rounded/hammered.              |   |
| LH85 | Tower Cutting Nipper | Tool for cutting leather, called a "tower cutting nipper" according to the Dictionary of Leather Working Tools.     |   |
| LH86 | Edge Iron            | Edge iron for shoe making/repair, with wooden handle.   |   |
| LH87 | Edge Iron            | Edge iron for shoe making/repair, with wooden handle.   |   |
| LH88 | Awl                  | Awl, black wooden handle with paint splatter, with short pointed awl.   |   |

| LH90                 | Revolving Punch                | Revolving punch or pliers, hinged mechanism and revolving wheel with varied sizes of hollow punches which can be lined up with the "anvil" on the opposite arm. |    |
|----------------------|--------------------------------|---|---|
| LH91                 | Shoe Brush                     | Brush, shoe polish, wooden handle which has a convex curve; the bristles are black.   |   |
| LH95                 | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH96                 | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH97                 | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH98                 | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH99                 | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH100                | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH101                | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH103                | Last Stand                     | Cast iron stand for shoemaking/repair, supports a shoe last.  |   |
| LH105 A-B            | Shoe Lasts                     | Pair of cast iron shoe lasts, size 7.   |   |
| LH106 A-B            | Shoe Lasts                     | Pair of cast iron shoe lasts, size 5.   |   |
| LH107 A-B            | Shoe Lasts                     | Pair of cast iron shoe lasts, size 3.   |   |
| LH108 A-B            | Shoe Lasts                     | Pair of cast iron shoe lasts, size 1.   |   |
| LH110                | Shoe Last, Child's             | Solid cast iron shoe last, child's size 9.  |   |
| LH111                | Shoe Anvil                     | Anvil for repairing shoes, with two ends.   |   |
| LH112                | Shoe Anvil                     | Anvil for shoe repair, with two ends.   |   |
| LH114                | Shoe Anvil                     | Anvil for shoe repair, with three ends of different sizes.  |   |
| LH115                | Shoe Anvil                     | Anvil for shoe repair, with three ends of different sizes.  |   |
|                      |                                |   |   |
|                      |                                |   |   |
| <b>Accession No.</b> | <b>Title</b>                   | <b>Description</b>  | <b>Image</b>  |
| 1972.140.1 A-I       | Safety Pins                    | Nine cards with safety pins attached.   |   |
| 1989.35.1 A-         | Fasteners                      | Fasteners; black; held inside brown box with mailing label on lid.  |   |

| 1997.8.2      | Buttons               | Ten buttons on card, plastic in different colours.   |  |
| AR108 A-B     | Wood Fragments        | Two small pieces of wood, turned, each may be a handle for single felting needle.  |  |
| AR109         | Coad Remnant          | Ball of wax-resin composite known as coad or shoemaker's wax. Used to smooth/strengthen thread used in stitching leather.  |  |
| CZ53          | Buttons               | Four pearl-like plastic buttons on card, labelled "Quality buttons".   |  |
| CZ54          | Buttons               | Eighteen clear round buttons on card, labelled "Superior Quality".   |  |
| CZ55          | Buttons               | Six brown plastic buttons on card, labelled "Best Quality".  |  |
| CZ58          | Buttons               | Eleven white, pearl-like buttons on card.  |  |
| CZ59          | Buttons               | Twelve buttons, white and pearl-like, on card.   |  |
| FU29          | Fragments             | Twisted paper pieces, all bundled together. Waxed string? Possibly sinew.  |  |

|           |  |   |  |
|-----------|--|---|--|
| FU30 A-B  | Tool, Unknown Function                       | Unknown textileworking tool, wooden possibly for spinning or winding wool. Consists of a base, edges painted red, with a column in the centre that has a hole in the top; the top component has a metal peg that fits into the hole, is octagonal, painted red, and has square holes at the short ends/corners. |  |
| FU31      | Unknown Wood Item                            | Unknown wooden item, possibly a clothes peg, appears to be handmade.  |  |
| FU33      | Tool, Unknown Function                       | Unknown tool, possibly for textile preparation (wool comb). Wooden handle, with bent metal arm that has a wood block attached to it. Metal spikes along bottom edge pointed towards the handle. Stapled around the other end is a ridged strip of black plastic.  |  |
| HA318 A-I | Picture Hooks                                | Box containing six picture hooks, paper label on top written in multiple languages.   |  |
| MR191     | Product Box, "Economy Dress Form"            | Square box with black text and graphics printed on surface, including graphic of woman with dress form and text that reads "Economy Dress Form".  |  |
| MR88      | Box, Sewing Machine Thread                   | Box for thread, matchbox-style, "Willimantic" brand.  |  |
| TX100     | Yarn   | Large spool of white yarn, thin.  |  |
| TX101 A-E | Spools of Thread                             | Five spools of thread on cardboard cones; white (a), silver blue (b), blue (c), green (d), dark blue (e).   |  |
| TX104 A-I | Knitting Needles                             | Nine knitting needles, various gauges, some wood and some metal.  |  |
| TX105     | Unknown Textileworking Tools                 | Bundle of wood rods, various sizes.   |  |
| TX106     | Sewing Machine Attachments                   | Metal case containing sewing machine attachments. The case is black, with gold lettering painted on the lid which reads: "Attachments". There is also a cardboard box.  |  |
| TX107     | Case for Textilemaking Tools                 | Fabric case, probably for holding crochet hooks or other textilemaking tools. White, fold/roll up, central section has multiple sewn slots for holding tools, including two pockets with button loop closures.  |  |
| TX108     | Various Notions and Crochet Fragments        | Box containing nine bags, a piece of paper with a needle and thread stuck through it, and a case with needles. The bags contain various notions and other materials, including crochet fragments, trim, embroidery floss, and ribbons.  |  |
| TX109     | Fasteners                                    | Matchbox containing hook and eye fasteners, metal.  |  |
| TX11      | Spool of Thread                              | Cone of thread, blue.   |  |
| TX110     | Sewing Machine Attachments                   | Metal case, black, with "Standard" printed on lid. Contains many metal components for a sewing machine.   |  |
| TX111     | Sewing Machine Attachments and Miscellaneous | Jewelry box containing numerous sewing machine attachments, buttons, and other miscellaneous items.   |  |
| TX114     | Beads and Needles                            | Box containing a collection of beads, turquoise and pearl, as well as a number of sewing awls, crochet hook, wooden sticks, and fragments of jewelry.   |  |
| TX116     | Fasteners in Box                             | Round cardboard container, with metal hook and eye fasteners inside. Some of the fasteners are attached to card.  |  |

|           |                              |  |   |
|-----------|------------------------------|--|---|
| TX119     | Ruler, Handmade              | Handmade wooden ruler or hem marker, large block with wood stick attached. The stick has been marked in pencil at regular intervals and numbers from 3-22.   |   |
| TX12      | Hosiery Thread               | Thread; black wool wrapped on original paper display card marked:"Hosiery" with picture of ram. Also can be called a Yarn Card.  |   |
| TX120 A-E | Shuttles                     | Five shuttles, wooden, for loom weaving.   |   |
| TX121     | Yarn Butler                  | Yarn butler or spool holder, wooden, round base with dowel.  |   |
| TX122 A-B | Pincushion and Strawberry    | Crocheted pincushion and strawberry. The strawberry's function is to polish/clean needles with the emery powder contained inside it.   |  |
| TX124 A-C | Crochet Hooks                | Trio of ivory crochet hooks, different gauges.   |   |
| TX125 A-D | Metal Hooks                  | Four metal hooks, unknown function.  |   |
| TX126 A-O | Various Metal Hooks, Needles | Assemblage of crochet hooks, sewing needles, and other metal implements associated with textileworking.  |   |
| TX128     | Netting Shuttle              | Black plastic netting shuttle.   |   |
| TX129 A-B | Thread and Needle            | Cardboard tube with white thread wound around it. Sewing needle stuck through the thread.  |   |
| TX13 A-F  | Dress Form                   | Dress form; made from interlocking cardboard pieces with folding pins attaching them; black text printed on front below shoulder reads: "Adjust-O-Matic". With box and instruction manual.   |   |
| TX130     | Tatting Shuttle              | Tatting shuttle, aqua coloured plastic.  |   |
| TX131     | Tailor's Chalk               | Small square, likely tailor's chalk.   |   |
| TX134     | Buttons and Fasteners        | Bag containing a number of black buttons, some on card, and black fasteners.   |   |
| TX135 A-C | Fasteners                    | Three cards with hook and eye fasteners.   |   |
| TX136 A-K | Needles                      | Various packages of sewing needles, different sizes, some for sewing machine and others for hand sewing.   |   |
| TX138 A-D | Snap Buttons                 | Four cards with snap buttons on them, different brands, some silver and some black.  |   |
| TX139     | Trim                         | Pale green trim on card, Herringbone Twill.  |   |
| TX14      | Spool                        | Wooden spool of light blue thread, with cardboard tube stuck through the middle.   |   |
| TX140     | Needle Folio                 | Folded folio, burgundy paper, with slots for needles and string wrapped around; gold filigree text and design on cover has image of arm with a sword, and script: "The St. Ann's Needle Folio". Also includes numerous metal and wooden needles and a plastic needle gauge, which is off-white with blue text/markings printed on it |   |
| TX141 A-C | Buttons                      | Three different styles of button on card. One set of six buttons is oval shaped, blue and brown with small floral design. One set of six buttons are round and black/brown. One set of twelve buttons are round and orange.  |   |
| TX143     | Ribbon                       | Coil of tricolour ribbon.  |   |
| TX145     | Seam Guide                   | Guide for sewing machine, metal.   |   |
| TX146     | Needle                       | Needle, with wide curved blade, and large eye opening at other end.  |   |

|            |   |   |  |
|------------|---|---|--|
| TX148 A-G  | Wool Samples                            | Green paper envelopes containing different types of wool.   |  |
| TX15       | Sewing Spool                            | Spool; wooden; wound with dark green thread; marked: "Richardson Silk Co."  |  |
| TX150 A-E  | Boxes of Dye                            | Various brands of clothing dyes; Sunset dyes All-Fabrics; Elkay's Dye soap; Ampolina dye in tube; Dyes are stored in ziplock bags.  |  |
| TX154      | Needle Book                             | Soft needle book, brown, cover painted with a totem pole and "Needle Book Victoria BC".   |  |
| TX155      | Embroidery Floss                        | Embroidery floss, pinkish red, with blue paper label wrapped around it.   |  |
| TX156      | Embroidery Floss                        | Embroidery floss, yellow, with blue paper label wrapped around it.  |  |
| TX157      | Embroidery Floss                        | Embroidery floss, red, with paper label "Princess" brand.   |  |
| TX158      | Rug Hook                                | Rug hooking tool with wooden handle, painted red.   |  |
| TX16       | Empty Spool                             | Spool; wooden; paper labels on ends marked: "Atlas Superior Three Cord".  |  |
| TX161 A-G  | Needlework Basket with Knitting Needles | Standing needlework basket, soft-sided with floral pattern, with spool holders. Also a ball of yarn, two sets of knitting needles, and a plastic rod (also a knitting needle?). |  |
| TX162      | Trim and Bias Tape                      | Various types of trim and bias tape wound around a wooden board.  |  |
| TX163 A-CN | Spools of Thread                        | Many spools, wooden, with various colours and types of thread on them.  |  |
| TX164      | Hat Trim Pieces                         | Box containing various styles of trim for hats, most made from straw, different colours and weaving styles.   |  |
| TX18       | Rug Hook                                | Rug hooking tool, wooden handle.  |  |
| TX21       | Spool                                   | Wooden spool wound with blue thread.  |  |
| TX22       | Spool                                   | Wooden spool wound with blue and green thread.  |  |
| TX23       | Spool                                   | Wooden spool.   |  |
| TX24       | Mending Wool                            | Mending wool on card, "Diamond E" brand.  |  |
| TX25       | Mending Wool                            | White thread on card, "Fireside All Wool Mending".  |  |
| TX26       | Yarn                                    | White yarn wrapped around card, which is printed with blue text: "Georgette 100% Angora".   |  |
| TX27       | Mending Wool                            | Black wool on card, "Fireside All Wool Mending".  |  |
| TX28       | Mending Wool                            | Brown wool wrapped around card, "Wool Worth Mending Wool".  |  |
| TX32       | Embroidery Floss                        | Purple embroidery floss/thread in original blue paper sleeve, labelled "Ideal Nun's".   |  |
| TX33       | Embroidery Floss                        | Purple embroidery floss/thread in original blue paper sleeve, labelled "Ideal Nun's".   |  |
| TX52       | Boxes of Rit Dye                        | Several boxes of Rit brand dyes, various colours, contained in red cardboard boxes.   |  |
| TX53       | Boxes of Tintex Dye                     | Boxes of "TINTEX" dyes, various colors and sizes of boxes that contain dyestuff, instructions. Stored in a zip lock bag.  |  |
| TX7        | Hem Marker                              | Hem marker or ruler, metal strip covered with canvas tape and marked along at intervals with black numbers and lines.   |  |
| TX75       | Bobbin                                  | Bobbin, wood, meant for fitting onto a larger piece of equipment, possibly a spinning wheel.  |  |

|          |                              |   |  |
|----------|------------------------------|---|--|
| TX76     | Yarn Holder                  | Holder for spool or ball of yarn, may be attached to base so that it spins. Round base, with dowel on top. This holder appears to be a single piece of wood that has been carved into the shape, possibly with a lathe.   |  |
| TX77     | Yarn Holder                  | Holder for spool or ball of yarn, may be attached to base so that it spins. Round base, with dowel on top, with second wood disc around dowel midway up. This holder appears to be a single piece of wood that has been carved into the shape, possibly with a lathe. |  |
| TX78     | Yarn Holder                  | Holder for spool or ball of yarn, may be attached to base so that it spins. Round base, with dowel on top. This holder appears to be a single piece of wood that has been carved into the shape, possibly with a lathe.   |  |
| TX80     | Bobbin Winder                | Bobbin winder, cast iron wheel with rod for bobbin and table edge clamp on one side, crank on other wide with wood handle.  |  |
| TX83     | Swift                        | Swift, no base, metal arms hinged together that expand and contract like an accordion.  |  |
| TX84     | Bobbin                       | Oversized wooden bobbin.  |  |
| TX86     | Textile Trim                 | Coiled trim for textiles, possibly furniture, green and teal.   |  |
| TX87     | Yarn Holder                  | Wooden yarn stand with purple yarn wrapped around the shaft.  |  |
| TX89     | Crochet Hook                 | Hook, crochet, red drop handle; short metal hook.   |  |
| TX90     | Skein of Yarn                | Skein of undyed yarn, thin strands, twisted/looped around itself.   |  |
| TX91 A-J | Pirns                        | Group of ten pirns, various coloured threads, some are tweed.   |  |
| TX92 A-B | Bobbins                      | Two bobbins for weaving, plastic, one (a) with grey yarn and the other (b) with finer yellow thread.  |  |
| TX93 A-C | Bobbins                      | Three plastic bobbins used for weaving, two green (one of them has black thread on it), and one blue.   |  |
| TX94     | Metal Thread                 | Thread, possibly copper, wrapped around a cardboard tube.   |  |
| TX95     | Pirn                         | Wooden pirn with off-white thread, larger end of pirn is threaded for screwing onto another device.   |  |
| TX96     | Spool of Thread              | Cardboard tube with white thread wrapped around it, for sewing.   |  |
| TX97 A-B | Spools of Yarn               | Two spools, cardboard tube with thread wrapped around it and paper cover around the outside; one (a) has blue thread and the other (b) is white; paper sleeve has text printed on it which reads: "Tex-Made Home Craft Cotton Yarn".                                  |  |
| TX98     | Sewing Machine Parts, "Juki" | White and pink vinyl container with various sewing machine attachments and parts, gold overlay on lid in block text, reads "Juki".  |  |
| TX99     | Sewing Machine Pedal         | Metal pedal from a Singer sewing machine.   |  |
| WM13     | Measuring Tape               | Measuring tape for sewing/tailoring, cotton twill with black markings on both sides.  |  |
| WM4      | Tape Measure                 | Cloth tape measure, with metal clasp on end.  |  |
| WM6      | Tape Measure                 | Small cloth tape measure inside round metal case, retractable.  |  |
|          |                              |   |  |
|          |                              |   |  |

| Accession No. | Title             | Description  | Image   |
|---------------|-------------------|--|---|
| 1965.197.1    | Bike light        | Carbide lamp no bulb   |   |
| 1966.406.1    | Rope              | Brown rope   |   |
| 1972.581.1    | Harness           | Thick leather straps, mostly three layers, one end wrapped around a metal hook, two padded pieces that join through a buckle |  |
| 1993.3.1      | Crop duster       |  |   |
| FU24          | Small metal disk  |  |   |
| FU25          | Small Metal disk  |  |   |
| FU27          | Bike light        | Glass dome inside rusted metal rectangle   |   |
| HA293         | Mailbox           | Silver   |   |
| ME17          | Wrench            | Monkey/open  |   |
| ME74          | Allen keys        | Small key ring   |  |
| MH5           | Oil implement     | Circle with thin conical spout   |   |
| OF268         | Pick blade        |  |   |
| TF0008        | Gas can           | Spouted container with handle  |   |
| TF100         | Half Hames        | Slightly curved dark wood with metal on one side and a loop and thick leather strap  |   |
| TF102         | Hames             | Slightly curved wood with metal, a hook and two loops on one side  |   |
| TF103         | Hames             | Slightly curved wood with metal, a bolt and two loops on one side  |   |
| TF104         | Singletree        | Wood cylinder with hollow metal rectangles at either end   |   |
| TF105         | Singletree        | Wood cyliner with metal hooks at the ends  |   |
| TF106         | Singletree        | Wood cylinder with metal wrapped around the long sides and hooks at either end. Loop in the middle                           |   |
| TF107         | Singletree        | Wood cylinder with nipple enda and hollow metal recatngle at either end. Thick fabric rectangle hanging to middle.           |   |
| TF108         | Singletree        | Long wood cylinder with metal cased ends that have a loop hanging. Third loop hanging from middle.                           |   |
| TF110         | Singletree        | Wood log with metal loops on either end and a large bolt hanging from the middle   |   |
| TF111         | Singletree        | Wood log with metal casing and loops on either end and a large loop hanging from the middle                                  |   |
| TF112         | Singletree        | Black wood with nipple ends and a metal loop hanging from either end. Leather loop hanging from middle                       |   |
| TF120         | Gear              | Small, black   |   |
| TF121         | Valve cap         |  |   |
| TF136         | Glass light cover |  |   |
| TF137         | Glass light cover |  |   |
| TF146         | Yoke              | Thick brown leather circle with long straps attached to opposite sides   |   |

|         |                              |  |   |
|---------|------------------------------|--|---|
| TF54a-d | Horse Riding Harness         | Bridle, halter, reins, bridle with throat latch bit and reins  |   |
| TF55    | Bridle with blinders and bit |  |   |
| TF57    | Crupper and breeches         | Thin straps of dark leather with metal loops and buckles strung through a thicker piece of leather that splits into a hard curved handle (crupper loops under tail)                          |   |
| TF58    | Reins                        | 4 thin dark leather straps attached to padded leather  |   |
| TF62    | Bridle with blinders         | dark leather straps with buckles under flaps on either side  |   |
| TF65    | Harness fragment             | two leather straps connected with buckles to make a loop. Harness fragments  |   |
| TF66    | Stirrup                      | Curved metal joined at the bottom by a flat metal rectangle; chain looped through top of curve   |   |
| TF67    | Scotch housings              | Leather tube nailed to thick leather that projects up and out in the shape of wings  |   |
| TF70    | Harness fragment             | Thick curved leather layered and bolted together. One end looped around a metal ring and hook.   |   |
| TF71    | Harness fragment             | Thick curved leather layered and bolted together. Buckle on both sides.  |   |
| TF72    | Harness fragment             | Thick leather strap wrapped around a chain at one end and a metal loop at the other. Two shorter straps, one perforated, also looped around ring   |   |
| TF73    | Belt                         | Short leather strap with top stitching and a buckle on each end. One buckle attached to a perforated strap that is looped around a metal rectangle   |   |
| TF74    | Harness fragment             | Thick leather strap with buckles on either side of blue padding. Thin leather strap nailed at both ends to the outside of padding  |   |
| TF76a-d | Harness                      | Full harness with top stitched dark leather straps, long metal bolt hames and a small curved pad with brass loops  |   |
| TF77    | Harness fragment             | Three thick layers of dark leather topstitched together with a chain hanging from one end and a separate strap with buckle hanging from the middle   |   |
| TF153   | Horse Collar                 | Egg shaped dark leather loop with buckle connecting narrow end   |  |
| TF78    | Harness fragment             | Leather flap with metal hook in circle looped through leather piece wrapped around a metal loop at the other end. Thin strap that splits into two, one side with buckle the other with holes |   |
| TF79    | Harness fragment             | Thin, curved padded grey leather that's wider in the centre and ends in a small silver loop on either end  |   |
| TF80    | Harness fragment             | Light brown topstitched small leather rectangle with a pointed dome shape on both ends   |   |
| TF154   | Horse Collar                 | Egg shaped dark leather loop with buckle connecting narrow end   |   |
| TF83    | Riding crop                  | Thin wood stick with black diamond shiny print. Silver casing on one and end brass on the other  |   |

| TF88          | Halter                | Thin leather top stitched straps attached by brass loops and rectangles   |   |
|---------------|-----------------------|---|---|
| TF89          | Singletree            | Wood cylinder with a metal loop hanging from both ends  |   |
| TF92          | wrench                | wrench with large hexagon on one end and curved into a square at the other  |   |
| TF93          | wrench                | wrench with two half square mouths and a half hexagon on one end and curved into a square hole at the other   |   |
| TF95          | Yoke                  | Wood with one chain on one side ending in hook  |   |
|               |                       |   |   |
| Accession No. | Title                 | Description   | Image   |
| PN5 A-V       | Artist's Box          | Metal case containing palette, tubes of paint, and paint brush. Inside of lid is brand plate, blue with silver text: "JC Fraser Limited Drawing and Art Supplies Winnipeg - Vancouver".                                     |    |
| PN6 A-AD      | Artist's Box          | Metal case containing palette, tubes of paint, brushes, scraper, and Woodward's bottle. Seal on inside of lid, with text in centre "Ruben's".   |   |
| PN8           | Sketch Pad            | Sketch pad, small, rectangular, with some pages sketched on, mostly blank.  |   |
| PN10          | Silver Pigment        | Round wooden container which has powdery silvery material inside.   |   |
| PN11          | Artist's Box          | Silver metal case containing palette, art book, paint tubes, brushes, and other tools.  |   |
| TF123         | Paint Grinder Parts   | Flared hollow cylinders. Rim with three squares projecting out and jagged inside  |  |
| TF125 A-C     | Tripod, Paint Grinder | Three metal legs connected by flat metal near the base and the top. Hollow, conical grinder sits on top and T-shaped bar sits vertically through the centre of all pieces. Paint splattered. Missing at least 3 components. |   |
