

**FOR IMMEDIATE RELEASE:
June 13th, 2023, Lake Country**

**Dining Artfully
Fundraising Art Auction**

**Tapas, Wine, Live Art Auction,
Silent Auction, Live Painting and more**

June 17, 6:00 pm

Ever wonder what happens at the Lake Country Art Gallery after hours? Join us for Dining Artfully and find out! We are taking over the gallery to bring you an artful event that will be a spectacle of imagination and creativity. Every part of the evening is a treat for the senses!

Spend the evening of June 17th being charmed and captivated by everything art. Access is with a \$25 ticket which includes a dinner of Tapas and a drink. Fine food, local wine and music will all set the stage for the main event, a live art auction with 18 unique paintings. The auction has begun online and will be completed in-person during the Dining Artfully event. There will also be a chance to take home a painting created in front of your eyes by local artists.

But it won't all be fine art! Drawings so Bad they are good will also be available to buy. Prove beauty is in the eye of the beholder by judging and buying some 'Bad' drawings.

In support of our fundraising drive, local artisans, organisations, individuals, and businesses have all generously donated items to be included in a silent auction throughout the evening.

The proceeds from this evening will support more accessible and engaging art programs at the Lake Country Art Gallery. Join us for two magical hours for a wine and dine arts experience to remember in the Lake Country Art Gallery from 6pm Saturday June 17th.

Tickets from Eventbrite. details at <https://www.lakecountryartgallery.ca/events/dining-artfully>
