

Welcome the Okanagan 48 Hour Film Project 2023!

The 48HFP takes place on different weekends in different cities throughout the year. In each city local Film Teams — from beginners to pro's — compete to make a short film in only a weekend!

Get Set to Make a Movie!

- It all begins with the Friday night Kickoff event when teams draw genres out of a hat and receive the required elements for your film.
- Then it is off to the races—writing, shooting and editing and doing whatever it takes to submit your short film on Sunday night. The big payoff is seeing your masterpiece on the big screen at a local theater.
- At the Best-of-Awards event, the winning films—as determined by local judges—are announced. More than a dozen awards are given—from Best Acting to Best Directing to the top prize: Best Film.

Red Carpet your way from the Okanagan to Lisbon to Cannes!

- What happens after the local 48? The Best Film in each city screens at our annual **international film festival—Filmapalooza**. This fest features screenings, workshops and parties and is attended by filmmakers from around the world. At the Awards Ceremony we announce the Grand Champion of the Year!
- We are proud of our 17 year partnership with the **Cannes Film Festival Short Film Corner**. Each year we take a selection of our top films from Filmapalooza to screen at the festival. It is an amazing experience for our filmmakers!
