Under 200 is an important fundraiser for the Lake Country Art Gallery and a celebration of our gallery member artists. The annual Under 200 exhibition includes over 400 pieces and most artwork is priced under \$200. You are invited to support local art, find the perfect gift, take home an original art card, and more!

This year we unveil the exhibition with an exclusive Front of the Line event on Saturday, December 2 from 9-11am (see below for more information). Followed by the Night Market, which takes place Friday, December 15 from 4-8pm.
