 February 2024

Accession Number	Photo	Common Name	Description & Condition
1979. .020		roasting pan & lid	<p>4-part aluminium roasting pan. The bottom of the roasting pan is about three inches high and has a ledge at the top. The roasting rack and sides of the roasting pan sit on this ledge. The rack has holes all around with 2 larger holes in the centre. a) Bottom - has handle at each end 40.6x29.2x8.25 b) Sides - has handle at each end; has 4 knobs inside to rest rack on.</p> <p>Condition: fair to good.</p>
1995.082.001 1995.082.002 1995.082.004		doll house furniture	<p>Doll's wooden settee with padded seat. Settee has a slat back made of 3 wooden horizontal slats, the middle one of which is the widest. This one has a diamond-shaped wooden piece painted gold glued near each end. Settee has shaped wooden arms (one of which is new) and 4 shaped wooden legs. Seat is padded and covered on rose sateen with gold fringe glued below, on all four sides. The settee's wood has been stained to resemble red mahogany. Doll-size.</p> <p>Condition: poor. In need of some maintenance.</p>
1997.021.001		photo frame	<p>Wooden picture frame with photo of unknown baby. a) Small oblong wooden frame made of four straight pieces of wood which have been dove-tailed together 1 1/4" from each end. These four pieces have been grooved with a stylized pattern in the center. At each of the four corners a triangular wooden leaf has been glued on. All the wood has been highly varnished. There is a gold metal trim placed as inset next to the inside. No glass. b) Oval photo of unknown baby in black and white (looks like a reproduction) on an oblong white card. Baby is seated, wearing a long white dress, long sleeves, high neckline--hair parted in middle, solemn expression.</p>
