Workshop Outline

Monday, May 6

Burnaby Village Museum

10:15 - 10:30 AM

Arrive at BVM, walk with staff to the workshop room (Carousel Room). Please note that the museum is currently under construction so we will walk around the perimeter of the site to get to the room.

10:30 - 1:00 PM

Trauma-informed practice training with facilitator Madison Tardif. We'll take multiple breaks during the session, and tea/coffee will be included.

1:00 - 3:00 PM

Catered lunch break with optional Tea and Talk (informal networking session). Participants can use this time to explore the village and stretch their legs as well.

3:00 - 5:00 PM

Tour of the Indigenous learning spaces at BVM, courtesy of the Indigenous programming department. We'll take the last 30-45 minutes to wrap up and look at any other exhibits or buildings folks are interested in seeing.
