Celebrate the Family Day Long Weekend with Special Events organized by the Sidney Museum

Sidney, British Columbia, February 1, 2025 - The Sidney Museum is excited to present some amazing special events during the Family Day Long Weekend running February 15-17, 10:00am - 4:00pm.

The Sidney Museum is open all weekend long from 10:00am-4:00pm. Come see hundreds of LEGO® sets on display from Lord of the Rings, to Star Wars, to Space, and more! We've also got fun activities including Guess the Number of Bricks and Find a special hidden Minifigure. Admission is by donation.

While you're there watch LEGO® Certified Professional Robin Sather build a local favourite, the Hawaii Mars, out of LEGO® DUPLO® blocks. Drop in to say hello and watch him work all weekend long.

Also returning to the Sidney Museum is the fan-favorite Peninsula Co-op's Community Mosaic build. Contribute a unique piece to this work of art which will eventually be showcased to the public.

Before you leave make sure to pick up your Beacon Avenue Scavenger Hunt and then set off through the town to find LEGO® sets on display in participating businesses. Find them all and be entered in a draw to win a prize.

Make your way to the Sallas Room of the Sidney Pier Hotel, where the Victoria LEGO® Users Group (VicLUG) will have an extensive display set up for your viewing pleasure.

The Sidney Museum would like to thank Peninsula Co-op for sponsoring the 2025 Sidney Museum LEGO® Brick Exhibition and Family Day Weekend Events.

The Sidney Museum is located at 2423 Beacon Avenue, in the lower level of the Old Post Office building. The Museum is open seven days a week from 10:00am-4:00pm. Entrance is by donation. Please visit the Museum's website for more details on the current and upcoming exhibitions.
