Garden of Earthly Delights and Objects of Desire

Art is not sustained by admiration alone. It endures because artists act.

Because we rise to the moment, take responsibility, and commit to the growth and well-being of our communities. In times of change, it is the artists who push boundaries, imagine new paths, and shape the culture of the future.

As spring fills the air, we're excited to welcome you to our latest exhibition: ***Garden of Earthly Delights and Objects of Desire*** — a vibrant showcase of beautiful artwork, objects of desire, and a community coming together to build a creative future.

At Lake Country Art Gallery, we believe in growing together — toward a shared vision of a thriving, inclusive community that champions the arts. This exhibition also serves as a fundraiser: every purchase directly supports our efforts to keep these spaces open, vibrant, relevant, and guided by artist-led voices.

If you believe in the role of public art galleries — in their power, their necessity, and their ability to connect and inspire — now is the time to stand with us.

Join us on May 3rd at 1PM for the opening of *Garden of Earthly Delights and Objects of Desire*. All art will be available for purchase.

Join us on May 10th for *Dining Artfully* — an exquisite dining experience that blends culinary delights with the beauty of art. Enjoy a delicious meal surrounded by creativity, with live music, aerial performances, spoken word poetry, and a live art auction. Bring your friends and your curiosity — and be part of something beautiful. Get your tickets: [HERE](https://www.showpass.com/dining-artfully-2/)
