	1977.014.001	Telegraph	Box for the receptionist in an office, for distributing the calls to the various internal four ones. Consists of a hardwood box 26.5 cm wide, 17 cm deep and 12 cm high. On the top is a black handset phone in a black holder. On the front are 9 toggle switches. Top of the box says The Converse Co. Circuit #2409. Inside of the handset phone says Northern Electric Co.	Circa 1913. Made by the Acousticon Dictograph Company of Canada (a branch of Dictograph Products company of New York). Last patent date is 1913. Control Number 1642-991.

	1989.047.005	Headset, telephone	Telephone headset, brown and black in colour.	Made by Northern Electric Co., patented 1918-1931. In good condition.
	1992.006.002	Box, Pay Phone	Black, rectangular box with triangular flat metal, wall bracket extending from one side. Money slots for 25\$, 10 cents, 5 cents, has key for opening at front. Box: 11.5 cm X 10 X 26.5 cm.	Made by Gray Tel. Pay Station Co. Hartford Ct. USA. Serial No: L65530.

	1993.036.005	Coat	Ladies ankle length coat, fawn coloured with black lapels & cuff trim, 3 large black buttons at front with loop fasteners.	Made in style of 1910 era. Possibly from the costume bank of Powerhouse Theatre.
	1993.078.001	Headset	Expandable black metal bands to fit over head with ear piece, round bake-a-lite disc with perforations, wire connected to ear piece, used by telephone operators.	Circa 1940. Came out of donor's aunt and uncle's house in Nahun on Okanagan Lake (Deighton). From 1930-32, donor's great grandfather lived in the house and is likely the original owner of the equipment. Great Grandfather owned Muir's Drugs from 1896-1919. Phone exchange (switchboard) was in drugstore until about 1908.

	1993.078.002	Headset	Expandable black metal bands to fit over head with ear piece, round bake-a-lite disc with perforations, wire connected to ear piece, used by telephone operators.	Circa 1940. Came out of donor's aunt and uncle's house in Nahun on Okanagan Lake (Deighton). From 1930-32, donor's great grandfather lived in the house and is likely the original owner of the equipment. Great Grandfather owned Muir's Drugs from 1896-1919. Phone exchange (switchboard) was in drugstore until about 1908. Wire attachment is missing.
	1993.078.003	Receiver, telephone	Telephone receiver, handheld, press key on centre of handle to be pressed while speaking, face of disc slightly sloped with numerous perforations, earpiece disc concave, small perforations, black bake-a-lite, brown wire with 4-pronged plug.	Made by Northern Electric Co. Came out of donor's aunt and uncle's house in Nahun on Okanagan Lake (Deighton). From 1930-32, donor's great grandfather lived in the house and is likely the original owner of the equipment. Great Grandfather owned Muir's Drugs from 1896-1919. Phone exchange (switchboard) was in drugstore until about 1908.

	1993.078.006	Telephone	Wall mounted crank telephone, phone box made of hardwood, crank handle one side, 2 cup shaped chromed bells on front, clanger in between, bracket on side for mounting black bakelite receiver which is attached by wire to bottom, front swings open to reveal workings, worn gold & black label on front.	Made by Northern Electric Co. Came out of donor's aunt and uncle's house in Nahun on Okanagan Lake (Deighton). From 1930-32, donor's great grandfather lived in the house and is likely the original owner of the equipment. Great Grandfather owned Muir's Drugs from 1896-1919. Phone exchange (switchboard) was in drugstore until about 1908.
	1994.022.001	Jacket	Black satin with wide shawl collar. Front wrap closure with self fabric and embroidered button. Long sleeves. Wide band of black embroidery on sleeves (two fabric and embroidered buttons at wrists), collar, lapels & around hem. Three lead weights have been stitched into hem. Centre back panel attached at shoulders and floating below waist has three similar buttons. Unlined.	Circa 1915. Likely from the costume bank of Powerhouse Theatre.

	1994.060.003	Dress, Wedding	Ivory coloured, all lace top & sleeves with bead work & sequins along V neckline, long sleeves, satin strapless bodice under lace & full length satin skirt gathered into bodice at piped waist, slightly flared & longer at back, side zipper fastener & 4 lace covered buttons with loops at neck back.	Circa 1945 Likely from the costume bank of Powerhouse Theatre.
	1994.060.005	Capelet	Capelet of olive green velvet, trimmed in rabbit fur dyed a similar green colour. Vertical cording around cape, slightly gathered, darts at top forms shoulder shape, two press studs to close at high stand-up collar. Lined with brown silk. Four ruched circles have been appliqued to the lining, one in each corner.	Circa 1880 Likely from costume bank of Powerhouse Theatre

			1994.060.007	Dress, Cocktail	Black lace dress, knee length, 3/4 sleeve, slightly flared at cuff, sweetheart neckline, fitted nylon bodice lining in black with ribbon straps (attached to dress at waist), skirt slightly flared, opening at side with press stud fasteners. Skirt isn't lined.	Late 1950s Likely from costume bank of Powerhouse Theatre
			1999.025.004	Suit	Beige coloured suit includes hip length close-fitting jacket with princess seams & calf length straight skirt. Skirt has kick pleat at CB hem. Jacket closure is asymmetrical with self-fabric buttons and bound buttonholes, beaded designs on collar & at waist on mini pockets. Jacket is lined; skirt is partially lined (back only). Jacket has 3/4 sleeves with elbow darts and large folded back cuffs. This suit was well-made and has been well-worn. Likely a wool blend.	Likely from the costume bank of Powerhouse Theatre.

		1999.025.025	Gown	Black taffeta dress, calf length. Side metal zipper, sleeveless, with 8 red velvet roses down left side of the full pleated skirt, and a black chiffon rosette with a crystal centre at left waist. Wrap front bodice with deep pleats across bust, and gathered into shoulder seams. The last person to wear this used a large safety pin at CF to secure the wrap front. Evidence of thread loops at the side seams for a belt, but no belt is with this dress.	Likely from the costume bank of Powerhouse Theatre.
--	---	--------------	------	--	---

		1999.025.027	Dress	Green satin dress with cap sleeves, calf length, side metal zipper, self-fabric buttons up front (not functional). Embellished with rayon corded cutwork around neckline, waist and sleeves. Home sewn.	Likely from the costume bank of Powerhouse Theatre.
