For Immediate Release

***Sidney Museum celebrates 20 years of the the annual LEGO® Brick Exhibit opening December 20***

Sidney, British Columbia, December 3, 2025 - The Sidney Museum and Archives is delighted to announce the return of its annual LEGO® Brick Exhibition. The exhibit, presented by Peninsula Co-op, will open on December 20, 2025 and run until April 6, 2026.

LEGO® enthusiasts have been visiting the Sidney Museum for twenty years to connect over their shared passion for this remarkable product. To celebrate this 20th anniversary milestone, the Sidney Museum is taking a walk through time. This year's displays are presented to reflect the themes of our LEGO® Brick Exhibit since its inception. Displays will highlight different exhibit years, showcase beloved sets, and tell the story of how a small community event became an annual tradition enjoyed by thousands of visitors from the Saanich Peninsula and beyond.

As always, the Sidney Museum has a number of new sets on display. These sets will be accompanied by old favourites, from Star Wars to Batman to floral, architectural, and vehicle sets. With something for everyone, this is a show you won't want to miss.

There will be plenty of interactive elements to this year's exhibit, including a "Guess the Number of Bricks" challenge and several scavenger hunts through our displays.

Back by popular demand is the "Community Creations" display. Visitors can submit a unique LEGO® creation to the Sidney Museum to be displayed for 4–6 weeks. Submissions are accepted on a first come, first serve basis. To learn more and enter a creation visit [sidneymuseum.ca/programs/lego-community-creations](https://sidneymuseum.ca/programs/lego-community-creations).

Whether reconnecting with an old hobby or continuing your LEGO® adventures, the Sidney Museum's exhibition is sure to delight and inspire visitors of all ages.
