

What is event insurance?

In partnership with Co-operators, Duuo provides event hosts with affordable event insurance policies in just a few clicks. Did we mention there are no service fees, cancellation penalties, or deductibles?

Why do I need it?

Event insurance is purchased to cover an event host's liability in case of an accident.

Most venues will actually require you to purchase a form of event insurance before allowing you to host an event in their space.

Even if your event space doesn't explicitly state that they need event insurance, a quick, low-cost event insurance policy gives you the peace of mind you need to focus on all the other items on your event planning to-do list.

What does it cover?

With Duuo Event Insurance you're covered for:

- **Event liability (Bodily Injury & Property Damage)**
- **Tenants' Legal Liability**
- **Medical payments**
- **Host liquor liability***

*Host liquor liability can be added to your policy for an additional cost.

Ask your Co-operators advisor about how to get **an exclusive rate** on your coverage!
